

New Bong Escape Hydropower Project

The 84 MW New Bong Escape Hydropower Project is located on the Upper Jhelum River 8 km downstream of the Mangla Dam. The project comprises 4 x 21 MW Bulb turbine generating units constructed adjacent to the existing New and Old Bong Escape gated facilities.

The Owner (Laraib Energy Limited) has appointed an Independent Engineer to assess compliance of the project with the provisions Power Purchase Agreement (PPA).

PROJECT	PROJECT TYPE	LOCATION	CLIENT	TIME PERIOD	KEY NUMBERS
New bong escape	Hydropower Project		Laraib Energy Ltd		84 MW
